

KCFSC Illness Policy

For the purposes of this policy, “Participant” includes an employee, coach, volunteer, skater or parent/spectator.

All participants must inform an individual in a position of authority (coach, club administrator) immediately if, they feel any symptoms of COVID-19 such as fever, chills, cough, shortness of breath, sore throat and painful swallowing, stuffy or runny nose, loss of sense of smell, headache, muscle aches, fatigue and loss of appetite.

Assessment

- Participants must have a daily verbal screening for symptoms upon arrival at the entrance of the facility. See Participant Health Questionnaire at the end of this document.
- Administrators/coaches will visually monitor participants to assess any early warning signs as to the status of their health and to touch base on how they are regarding their personal safety throughout the workday/practice/activity.
- If Participants are unsure please have them use the self-assessment tool <https://bc.thrive.health/covid19/en> or through the COVID-19 BC Support App self-assessment tool.

If a Participant is feeling sick with COVID-19 symptoms

- They should remain at home and contact Health Link BC at 8-1-1.
- If they feel sick and/or are showing symptoms while at workplace/practice/facility, they should be sent home immediately and have them contact 8-1-1 or a doctor for further guidance.
- No Participant may participate in any skating activity (coaching or skating) if they are symptomatic.

If a Participant tests positive for COVID-19

- The Participant will not be permitted to return to the workplace/practice/facility until they are free of the COVID-19 virus as verified by a medical professional.
- Any Participant who works/practices closely with the infected participant will also be removed from the workplace/practice/facility for at least 14 days to ensure the infection does not spread further.
- The Club will immediately notify the Vancouver Parks Boards so they may close off, clean and disinfect their work/practice/facility area immediately and any surfaces that could have potentially be infected/touched.
- The club/skating school must inform the Skate Canada BC/YK Section Office of the test positive case

If a Participant has been tested and is waiting for the results of a COVID-19 Test

- As with the confirmed case, the Participant must be removed from the workplace/practice/facility.
- The Public Health Agency of Canada advises that any person who has even mild symptoms to stay home and call the public health authority of B.C
- Other Participants who may have been exposed will be informed and removed from the workplace/practice/activity for at least 14 days or until the diagnosis of COVID-19 is ruled out by health authorities.
- The Club will notify the Vancouver Parks Boards so they may immediately close off, clean, and disinfect any surfaces that could have potentially been infected/touched.

If a Participant has come in to contact with someone who is confirmed to have COVID-19

- Participants must advise their coach/club administrator if they reasonably believe they have been exposed to COVID-19.
- Once the contact is confirmed, the Participant will be removed from the workplace/practice/activity for at least 14 days or as otherwise directed by public health authorities. ***Participants who may have come into close contact with the Participant will also be removed from the workplace/practice/activity for at least 14 days.***
- The Club will notify the Vancouver Parks Boards so they may immediately close off, clean, and disinfect any surfaces that could have potentially been infected/touched.

Quarantine or Self-Isolate if

- Any Participant or someone from your household who has travelled outside of Canada within the last 14 days is not permitted to enter any part of the facility and must quarantine and self-isolate.
- Any Participant who has a member of their household that has travelled outside of Canada within the last 14 days is not permitted to enter any part of the facility and must quarantine and self-isolate.
- Any Participant with any symptoms of COVID-19 is not permitted to enter any part of the facility and must quarantine and self-isolate.
- Any Participant from a household with someone showing symptoms of COVID-19 is not permitted to enter any part of the facility and must quarantine and self-isolate.
- Any Participant who is in quarantine or self-isolating as a result of contact with an infected person or in families who are self-isolating, is not permitted to enter any part of the facility.

Participant Health Questionnaire

A Club Volunteer will ask the following questions of each skater prior to any in-person session sanctioned by KCFSC.

1. Do you have a fever (a temperature of 37.8C or higher)?
2. Do you have any of the following symptoms?
 - a. Cough
 - b. Shortness of breath
 - c. Runny nose, sneezing or nasal congestion(not related to other known causes such as seasonal allergies etc.)
 - d. Sore throat
 - e. Difficulty swallowing
 - f. Lost sense of taste or smell
3. Have you or someone in your household travelled outside of Canada or had close contact with anyone that has travelled outside of Canada in the past 14 days?
4. Have you had close contact in the past 14 days with anyone with a new cough, fever or difficulty breathing or a confirmed case of COVID-19?

If the response is “yes” to any of the above, the skater will not be permitted to participate
