

KILLARNEY SKATING CLUB

*A pair of skates
is all it takes!*

Welcome to our first newsletter!

Killarney Skating Club is pleased to present the first edition of our newsletter. We will send issues quarterly to keep you informed of all the latest developments and news at the club, reminders of key dates and highlights, tips, fun facts and more!

First, we would like to start by acknowledging what a challenging year 2020 was. We want to thank the skaters, coaches, parents and volunteers for all their support and understanding as we have navigated through different protocol and procedures.

SKATING FUN FACT:

The first figure skating club was founded in 1742 in Edinburgh, Scotland.
