

## KCFSC Rink Safety Procedures

Update 7 November 2020

In order to ensure the safety of all our participants, we ask everyone adhere to the following when at the rink:

- Skaters will not be able to enter the rink until 10 minutes prior to their session. Please wait in your vehicle until such time.
- There are two rink entry/exit doors: a west facing door and a south facing door. The door with the KCFSC logo on it will be the entry door for your skater's session. Each session will use the same door for both entry and exit.
- **New: Skaters are expected to be wearing a mask when waiting to enter the rink and at all times when off the ice. This includes when lining-up to enter the rink, entering the rink, putting on/taking off skates, waiting to step onto the ice, stepping away to use the washrooms and leaving the rink.**
- **Reminder: Skaters must maintain social distancing by being at least 2 meters apart when off the ice.**
- Prior to entry, a KCFSC volunteer will confirm the skater's name and ask that the online health check questionnaire has been completed. Skaters will be denied entry if they have not completed and/or cleared the health check questionnaire.
- Skaters should arrive ready to skate (i.e. skates and helmets on) as parents and/or guardians will have only three minutes inside the rink to help prepare their skaters. This is a Vancouver Parks Board rule.
- **New: Parents are expected to wear a mask when lining up to enter the rink and when inside the rink.**
- Spectators are not allowed inside the rink and the rink doors will be locked once the skating session has begun. Again, this is a Vancouver Parks Board rule.
- Parents and/or guardians are strongly encouraged to stay close to the rink in the event your skater needs your assistance. As per Vancouver Parks Board, parents will only have three minutes at the end of their skater's session to enter the rink to pick up their skater.
- Familiarize yourself with (1) the Vancouver Parks Board COVID-19 Arena Use Procedures and (2) the Killarney Rink Map

# Vancouver Parks Board COVID-19 Arena Use Procedures

## Vancouver Park Board COVID-19 Arena Use Procedures

### Before you arrive:

- All participants must wait in their vehicles or outside the building in the designated areas outside the arena. You will be able to enter a maximum of 10 min prior to the start of your permit time.
- A Rink Attendant will be at the entrance ensuring only permit holders enter the arena. Entrance doors will be locked at the start of your ice time.
- There will be 2 entrance doors with signs: Dressing Area A & Dressing Area B. You will find your group logo on the door. Please wait in this area until the Rink Attendant opens the doors for your group.
- When waiting, maintain a physical distance of 2 metres from others
- Participants are expected to come as fully dressed as possible as dressing rooms will not be available for use

### When getting ready:

- There will be designated seating spots marked off on the benches/chair to get ready
- Please put your skates on and leave your belongings in your designated Dressing Area
- Do not leave this area (except to use the washrooms) until the start of your ice time
- A Rink Attendant will open and close the arena gates for you at the start & end of your session.
- Parents & guardians must wait in the car/outside (special consideration will be given to younger skaters who need assistance putting their skates on and off). A Rink Attendant will let parents & guardians back in 3 min prior to the end of the ice time to assist their child.

### On the ice:

- A maximum of 18 skaters on the ice (Figure Skating) and a maximum of 16 skaters on the ice (Hockey) – these numbers include coaches
- Player's benches may be used. Cleaning supplies will be provided for groups to clean surfaces and door handles.
- If you require music, please use the scorekeeper's box and bring your own auxiliary cord.
- A Rink Attendant will move the nets after your session.

### When exiting the building:

- At the end of your session, participants will have a maximum of 5 min to exit the arena so high touch points can be sanitized and the next group can enter on time
- Groups will exit out of the **same** door they entered from
- If you've split your ice time block (no clean) between groups, let Claudia know in advance so we can arrange cleaning of your dressing area

**Other items:**

- Minor Sport Group offices will not be accessible at this time. Please arrange for 1 time access to offices to get any items you will need.
- Stay home if you are sick
- Stay home if you have travelled outside Canada in the last 14 days
- Please maintain a physical distance of 2 metres from others
- No off ice activities, such as dry land training, stretching etc can be done inside the building
- There will be no access to:
  - Dressing Rooms
  - Bleachers
  - Water Fountains (bring your own labelled water bottles)
- The following areas will be sanitized by staff between ice time blocks:
  - Dressing Areas
  - Players benches
  - Door handles
  - Nets
  - Scorekeeper box
  - Other high touch points
  - Washrooms periodically throughout the day
